On August 24, 2020, at approximately 1721 hours, Southeast Area Gang Enforcement Detail (GED) units responded to a radio call of gang activity to the rear of the apartment complex located at 338 East 99<sup>th</sup> Street. The person reporting indicated there were seven Main Street gang members standing around a vehicle parked to the rear of the location and that a handgun was observed.

Several Southeast Area GED units arrived at scene and deployed simultaneously to the front and rear of the location. As officers approached the rear driveway of the apartment complex, Suspect Page ran north on the east side of the location. Upon reaching the front courtyard of the complex, Page encountered other GED officers who had just arrived on 99<sup>th</sup> Street, and an Officer-Involved Shooting occurred. Page then circled around to the west side of the complex and was ultimately taken into custody in the rear parking area where the foot pursuit began. A semiautomatic handgun was recovered at scene.

Page was not struck by gunfire and no officers were injured. He was ultimately booked for Possession of a Firearm by a Prohibited Person. Three additional males were also taken into custody; however, they were later questioned and released.

Investigators from Force Investigation Division responded and will be conducting the administrative and criminal investigations.
